

Haiku

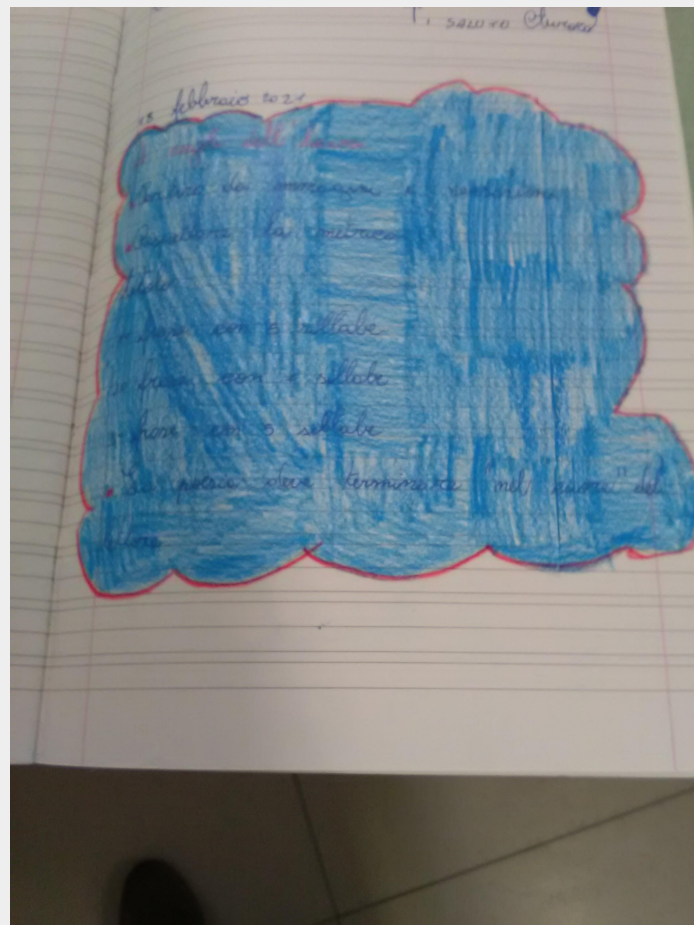

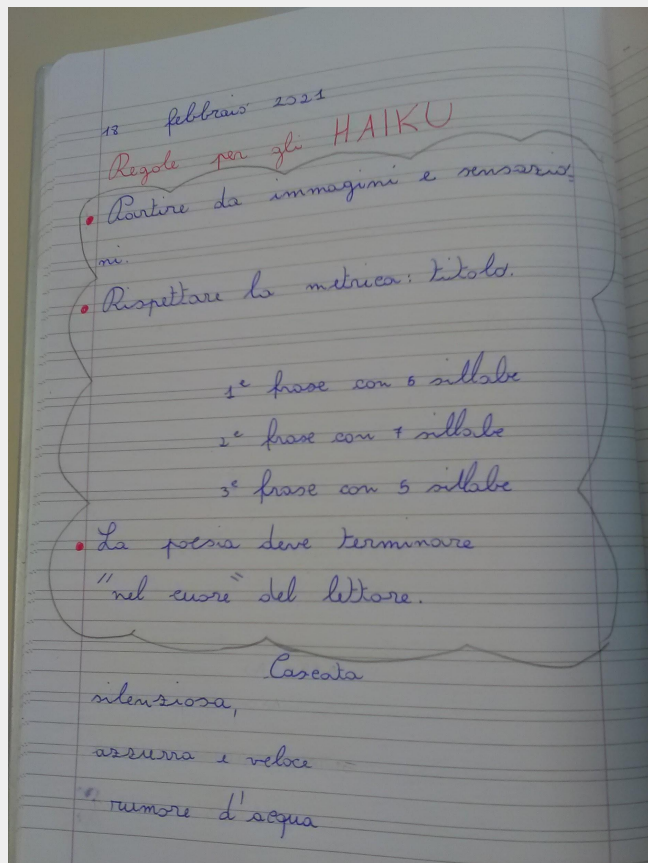

testi e nuvole

Abbiamo provato a scrivere poesie sotto forma di haiku, in modo spontaneo. I nostri testi sul quaderno sono poi stati trasformati in “nuvole di parole”.

fresca e pacifica
e trasparente

mistici nell'acqua
veloci, salini.

Acqua cadente
tutta trasparente
pace, freschezza

ALBERI

Alberi vecchi
con tronchi resistenti
belli e nuovi

cascate magnifiche,
pace e luce.

I FIORI

specie di brillantini
e allegria.

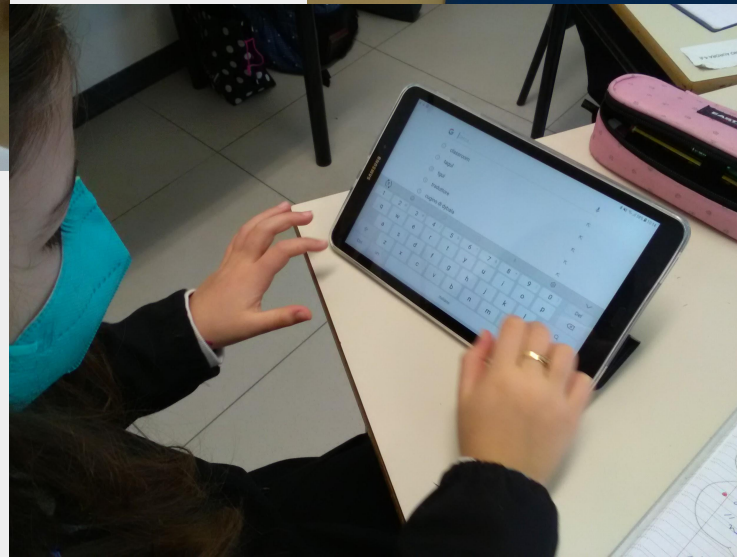

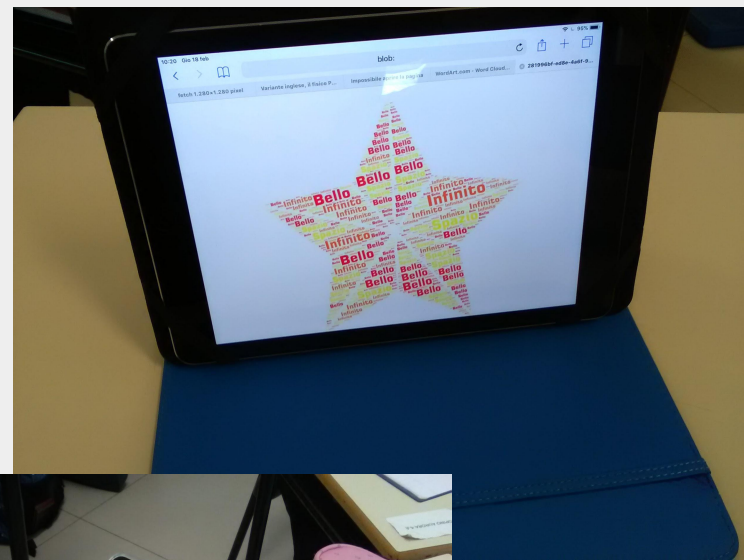

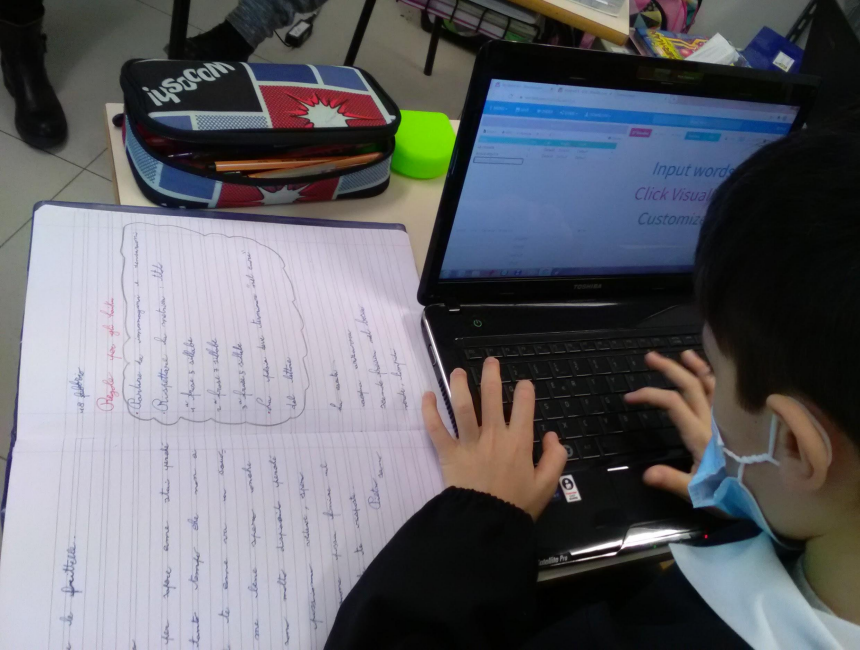

I delfini

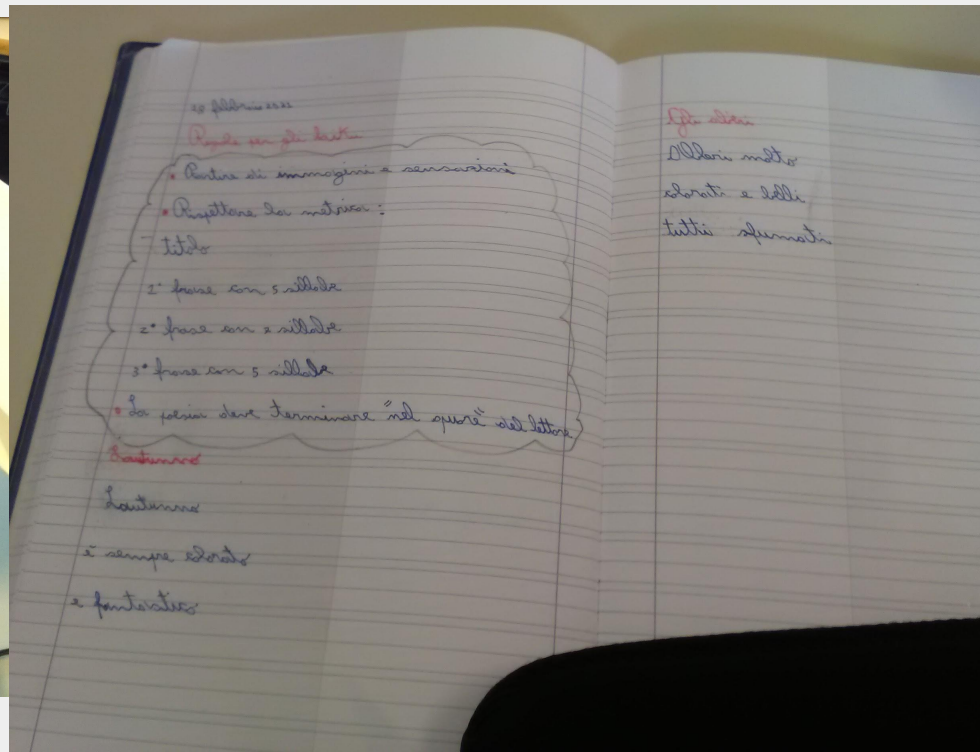

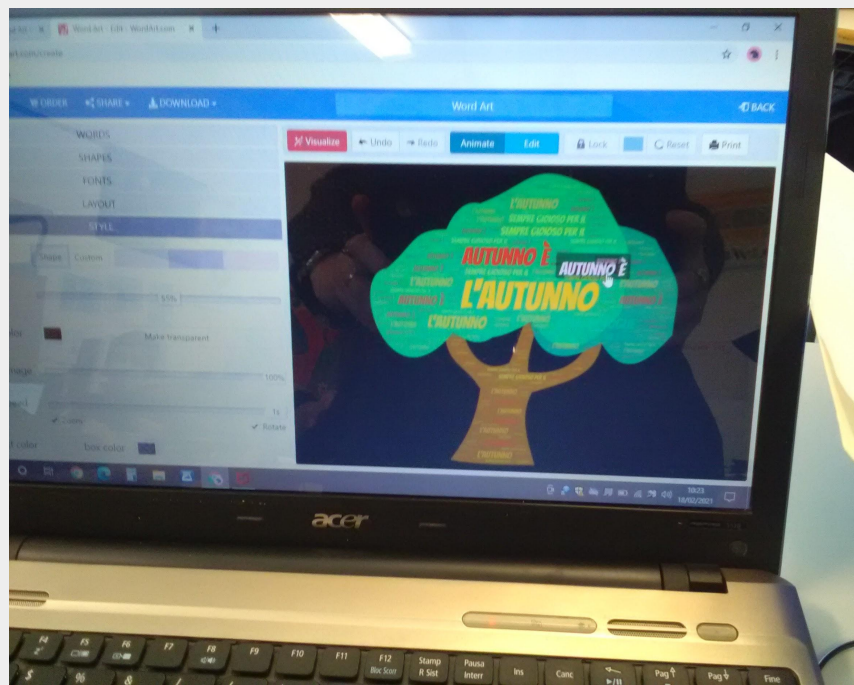

Delfini doli,
cielo coperto da
nuvole bianche

Acque fresche
cristalline lucenti
è magnifica

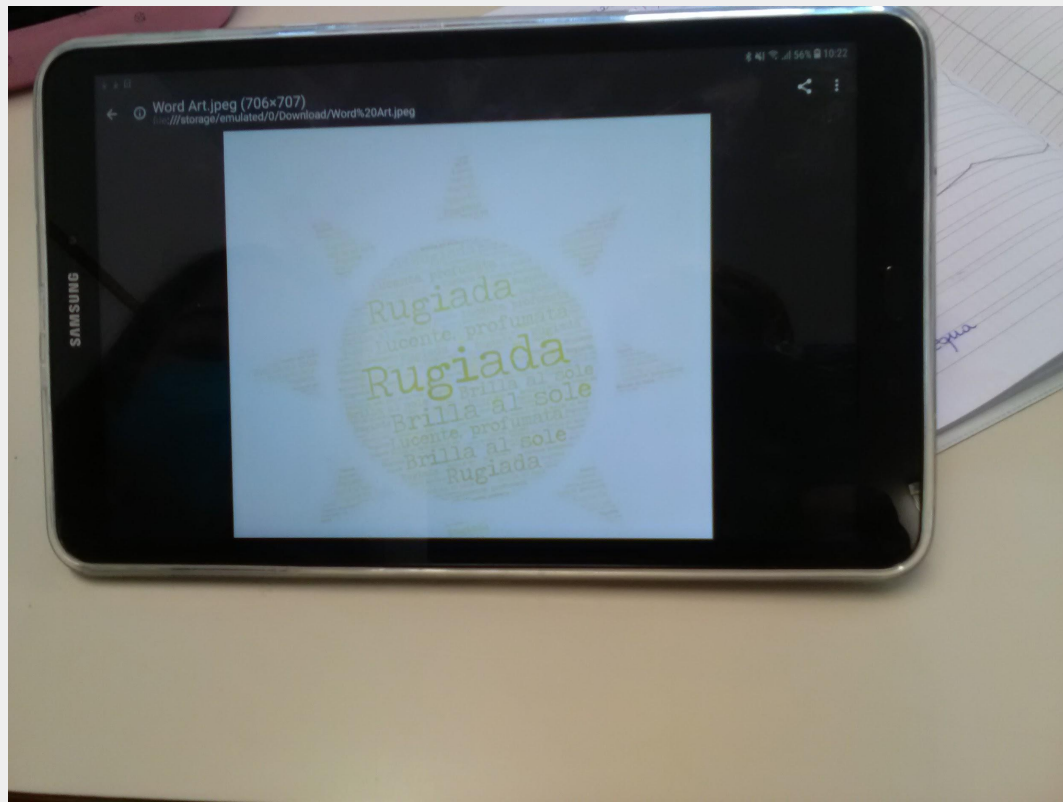

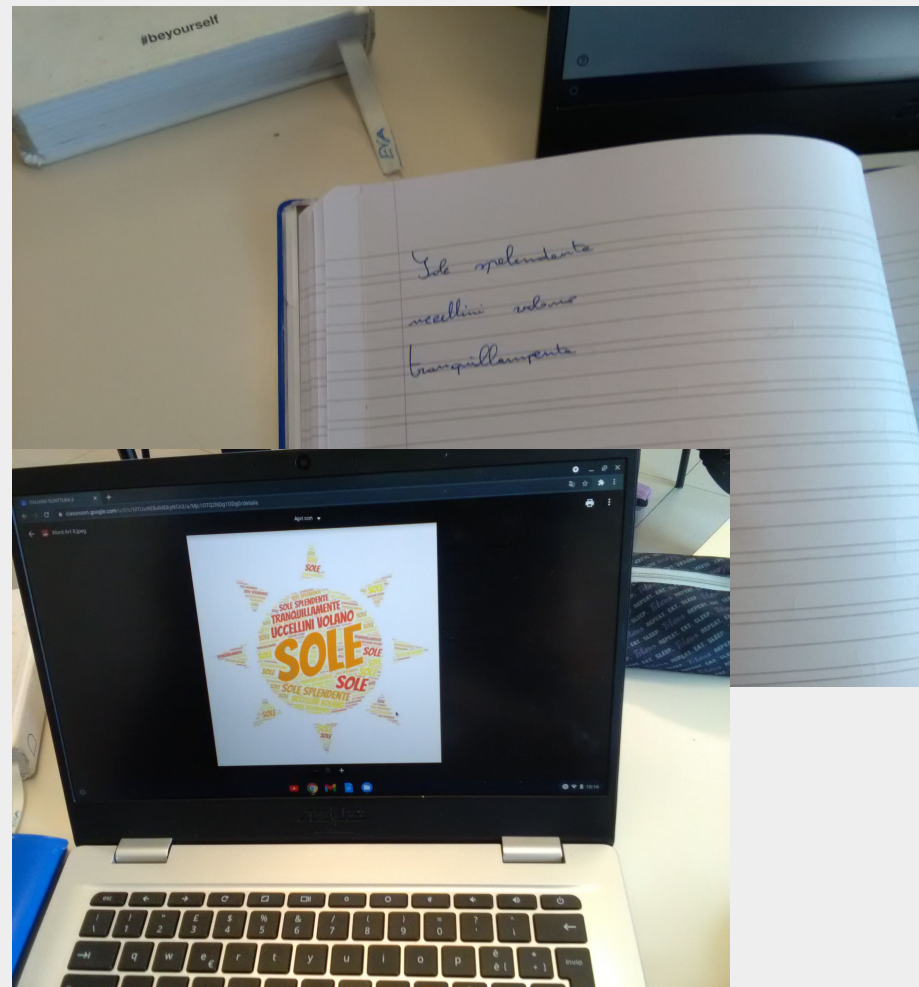

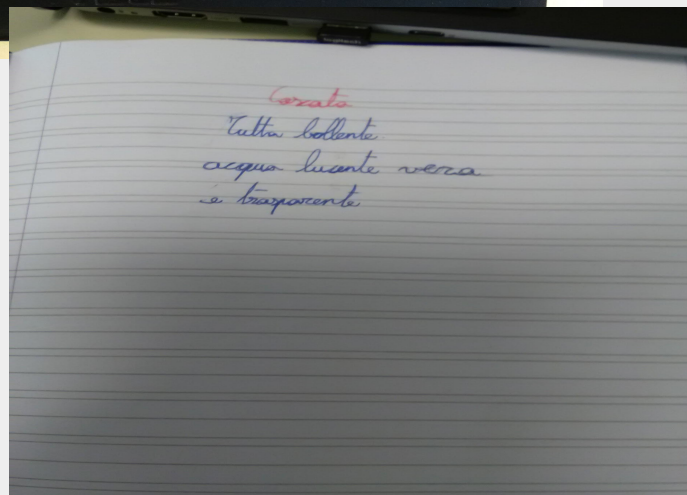

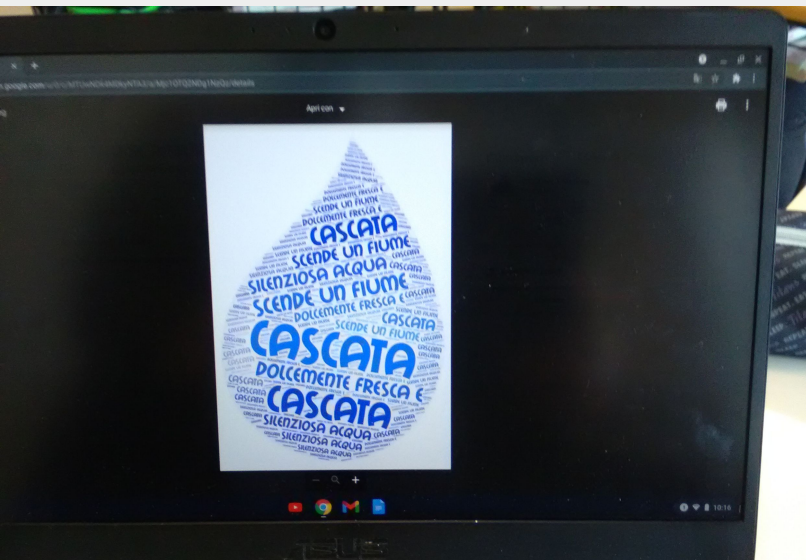

Rugiada

appiccicosa,

lucente, profumata

brilla al sole.
